Parent and community engagement

Parents are encouraged to be involved in the education of their children through participation in classroom reading. Rosewood State School has an active Parents and Citizens Association which contributes to the resourcing of the school.

Parent Teacher meetings and class newsletters are organised throughout the year to inform parents of what students are learning and how they are progressing in the classroom. Written reports are provided at the end of each semester.

Fortnightly school newsletters keep parents up to date with school events while serving to develop positive and effective relationships with the school community. These newsletters contain future events, recent school news, photos of award winning students and a selection of student work. Classes also send home class newsletters periodically with information pertaining to individual classes. The school also uses its Facebook page and an LED billboard to communicate with the community.

School parades are held on Wednesday afternoons. Parents attend these parades to see certificates and awards presented. Parents are invited to participate in the ICP process to approve the adjustments being implemented for their students to ensure these students are able to access the curriculum being presented in the classroom.

Rosewood State School promotes, records and manages student attendance through the implementation of:

- Weekly school rewards for best class attendance and most improved attendance
- Attendance celebrations & rewards
- Parents/Caregivers of students who do not meet the attendance requirement of compulsory schooling are contacted by a member of the school administration to identify reasons for non-attendance and form collaborative partnerships to support the improvement of student attendance.
